In a happy suburban neighborhood surrounded by white picket fences sits a black house with a dead lawn. Unbeknownst to the neighbors, hidden deep beneath this home is a vast secret hideout. Surrounded by an army of tireless, little yellow minions, we discover Gru planning the biggest heist in the history of the world. He is going to steal the moon. Armed with his arsenal of shrink rays, and battle-ready vehicles for land and air, he vanquishes all who stand in his way. Until the day he encounters the immense will of three orphaned girls who look at him and see something that no one else has ever seen: a potential dad.
